

# SSN Update & Planning for the Future...

George Tarvit, SSN Development Manager

# Key Activities: now and in first quarter 2008

- **SSN Annual Conference outcomes** - online feed and transcripts from pre-consultation session (Improvement Service forum) provide you with something of a 'how to guide'
- **Scottish CC Bill consultation** likely to be initiated in early January 2008
- SSN playing key role in developing the template for, and providing guidance on, **SCCDeclaration annual reporting** – deadline for template end of January, annual reporting to conclude end of March
- SSN developing forward plan for **Scottish Local Authority Climate Change Programme**, working with SLACCP Development Group, to be well-developed by end March 2008

- Additional resource based with SSN to support local authorities on climate change reporting

- *'Planning for Micro-Renewables: From minimum requirements to best practice'* FoES / SSN, The Melting Pot, Edinburgh – Friday Jan 18th

- Production & circulation of SCCD draft annual reporting template

# February: It's All Happening!

- **SSN Steering Group Annual Planning Meeting – to firm up details of SSN Business Plan 2008-11 - Feb 5th**
- **CoSLA SCCBill consultation workshop – Feb 8<sup>th</sup>**
- **Scottish Footprint Data Conversation – tools and data - w/b 11<sup>th</sup> or 18<sup>th</sup>**

- **SLACCP meeting – March 3rd**
- **Local Footprints Project - REAP Training - for Phase One Councils – date TBC**
- **CIFAL Findhorn / Dundee City Conference – March 17<sup>th</sup> and 18<sup>th</sup> - preceded by SSN Quarterly – 17<sup>th</sup> March am, Dundee**
- **SSN Lead Members – working session on Scotland's Climate Change Declaration reporting – date TBC**
